Together We Can Make a Difference

"The Scholarship I received from Community Financial assisted with the cost associated with pursuing a degree in English at the school I really wanted to attend, Kalamazoo College. As a child of a single parent who was also in school, my need was especially urgent...In 2003, I graduated cum laud and now my profession involves working with individuals who practice philanthropy. I understand more every day the ripple effect involved when one gives. I have certainly benefited from it."
1999 recipient, Sara Wiener

"Since paying for most of my college education on my own, this scholarship was a great help. The degree I earned lead me to a position as a Business Analyst. Your help toward my career goal in a mathematical related field is greatly appreciated."
1998 recipient Tara M. Petroskey

60 Scholarships have been awarded since 1988.
