

## MORTGAGE PAYMENT OPTIONS

Community Financial offers a wide range of mortgage payment options, allowing you to choose the one that's most convenient for you.

### COMMUNITY FINANCIAL FUNDS

Do you have a Community Financial checking or savings account? We provide several quick and easy ways to pay your mortgage through your existing Community Financial account.

#### In Branch

Stop by any of our 13 convenient branch locations. You can make your payment at the drive-thru or through the night drop box.

#### Automatic Transfer

Give yourself piece of mind that your mortgage payment will always be paid on time. Set up an automatic transfer from a CFCU savings or checking account.

#### Online and Mobile Banking

Prefer to conveniently pay your mortgage on your terms? Our eBanking and Mobile Banking services allow you to pay on your own time.

#### Direct Deposit

Never miss a payment. Set up automatic loan payments when your direct deposit hits your account each month.

### OUTSIDE FUNDS

Don't have an active Community Financial checking or savings account? There are still several options available to make your payment from another financial institution (FI).

#### ACH deposit

Set up a recurring monthly payment from your FI to CFCU. Contact us and we'll help you complete the necessary form.

#### Mail

Mail your payment to PO Box 8050, Plymouth, MI 48170.

#### FI to FI transfer

Transfer your payment from another FI into a CFCU checking account. The payment can then be automatically transferred to your mortgage account.

#### Bill Payment

Set up CFCU as a payee with your other financial institution's bill pay service.
