

Rock, Brock, and the SAVINGS SHOCK

Rock spent all of his money.
Brock saved his money.
What would you save your money to buy?

How much do you need to save to buy this item? \$ _____

If you save \$1 per week, how long do you need to save? _____

If you saved \$1 every day for a month, how much would you have? \$ _____

Successful saving starts with a goal. Saving your money at the
Student-Run Credit Union will help you achieve your goal faster.
